AN INDEX TO THE ABCA BULLETIN
Volume 47
March 1984 thru December 1984

INTRODUCTION

This indexes Volume 47, Nos. 1-4. It is arranged by the author/title, title/author, and the keyword. The numbers 47 : 4 : 4-5 : December 1984 represent the volume, issue, page, and date respectively. The author index gives the names of all the authors. In other words where there is more than one author for any article, cross reference entries have been made under the name(s) of coauthors also. The title and the keyword index if used together would facilitate a good subject search.
